## TASTING NOTES

Our exquisite 2020 Napa Valley Cabernet Sauvignon, created from multiple single vineyards, boasts a rich fruit blend of crème de cassis, tangy mulberry, and black plum. Its brimming velvety texture and silky tannins will captivate your senses, and the finish will dazzle your taste buds with vibrant red hibiscus and juniper notes. Whether you're enjoying it on its own, or pairing it with a decadent meal, this Cabernet is an absolute showstopper for any occasion!

## THE VINEYARDS

This wine is crafted from a blend of grapes from several distinct single-vineyard sites, each contributing to the complexity and approachability of the final product. With grapes sourced from four different American Viticultural Areas (AVA) in Napa Valley, this wine showcases how the sum of diverse terroirs can result in a wine that is greater than its parts.
