

# summer dreams

SUPER CHILL

2021

PINOT NOIR

## APPELLATION

West Sonoma Coast;  
Freestone-Occidental  
sub-region

## VARIETAL BLEND

100% Pinot Noir

## CLONES

50% Pommard, 50% 777

## FERMENTATION

Whole berry fermented in a mix  
of puncheons and open top tanks

## COOPERAGE

Vosges Forest with a mix of  
Demptos and Taransaud barrels,  
an unusual selection for Pinot but  
it's from coopers and forest sites  
that Jayson has been working  
with for decades. The wood from  
Vosges is very blonde (white) in  
color and tight grained.

## BOTTLING

Unfined

## tasting notes

Wonderful balance for this Occidental Area of the Sonoma Coast. Ripe and fresh dark fruit, forest flowers, intense cherry with hints of spice layered into a very full-bodied rich wine fermented in puncheon barrels from the finest French oak and some micro-open top fermenters. This wine is very fine tannins and acidity, perfect integration for cellaring for 10+ years, but drinking like a champion right now too. Rock Star. —JAYSON WOODBRIDGE

## vineyard + vintage notes

Each hillside vineyard site is chosen for the generous slope, unique sequence of Goldridge soils, ranging from 900-1900 feet above sea level, and microclimate to add dimension to the wines. A rare, fine-grained sandy loam, Goldridge soils are known for excellent drainage, and a characteristically light and fluffy texture. Some of the particularly unique sites have Goldridge layered on top of ancient seabed where finding fossils in the soil is not unusual and a clay content that helps the soil retain precious moisture during the growing season. The coastal climate of the region is marked by warm, dry summers and cool, damp winters.

## winemaker notes

A love letter to the spirit of the California Summer. Each wine is made in the signature Jayson Woodbridge style and has range of expressions based upon the selection of unique micro-vineyard blocks, dappled across the Western Sonoma Coast of California. The style is red fruit-forward with cranberry and raspberry notes, very textural in the mouth, and has a lifted finish.
