

2021 CABERNET SAUVIGNON

ALEXANDER VALLEY

The 2021 edge Cabernet Sauvignon was sourced from premium Alexander Valley vineyards, specifically chosen for their high-quality fruit and tannin structure. Ray Signorello and his winemaking team have crafted a rich and luscious age-worthy Cabernet Sauvignon that will drink beautifully for the next 5-8 years.

2% Merlot
1% Petit Verdot
1% Cabernet Franc
- AGEING:** 16 months in 40% new French Oak barrels
- ALCOHOL:** 14.6%
- PRODUCTION:** 10,500 cases produced

ACCOLADES:

92 - JAMES SUCKLING, Mar. 2024

Ray Signorello was looking for cutting-edge wine at a good price when he launched Edge, and it's been sourced from Alexander Valley grapes since 2014. It's friendly in texture, full in red and black fruit like cherries and blackberries, full-bodied but moderate in tannins. Drink now or hold.

91 - VINOUS, Dec. 2023

The 2021 Cabernet Sauvignon is a bold, racy wine. A burst of super-ripe red cherry fruit, plum, mocha, licorice and sweet oak is amplified in this extroverted Cabernet Sauvignon from Edge proprietor Ray Signorello. There's a good deal of Alexander Valley earthy/savory complexity to play off of the wine's natural exuberance. It's a gorgeous wine for the money.

HARVEST NOTES:

2021 came as a welcome relief on the heels of a stressful 2020 vintage. It was recorded as one of the driest years with limited rainfall supply. Cool nights and full sun days with no danger of major heat spikes, resulted in a small crop but with near perfect flavor development and concentration. The resulting wines are well structured, showing power and fine quality tannin expressions. Their complexity will continue to unveil over the next few decades.

Cutting Edge Wine,
Without The Cutting Edge Price
